AWEMAC

Leading Environmental Advisors in Africa

INTEGRATED ENVIRONMENTAL IMPACT ASSESSMENT & AUDIT TRAINING AND MENTORSHIP/INTERNSHIP PROGRAM- JULY 2018

Africa Waste and Environment Management Centre (AWEMAC), is an Environmental Consultancy and Training firm registered by the National Industrial Training Authority (NITA) and National Environmental Management Authority (NEMA), as an EIA/EA training Centre. AWEMAC is one of the leading environmental firms in Africa that has been involved in providing technical environmental advisory services to large infrastructural projects like all Nairobi Bypass Road Projects, Mombasa-Nairobi Standard Gauge Railway Project, Vipingo City Master Plan, Kenya Oil and Gas Master Plan, Mombasa-Nairobi Super Highway Project, Centum's Nairobi Two-Rivers Project, Britam's Tower Project, AVIC Africa Headquarters Mixed Development Project, The Pinnacle (Tallest Building in Africa) among several others. We serve large corporate companies, Governmental Ministries and Agencies, several Counties, UN bodies and International Companies.

AWEMAC provides technical environmental consultancy and training services on Commercial and Residential Developments, Roads, Railways, Airports, Ports and Harbours, Water Supply, Sewerage, Thermal Power Plants, Electrical Transmission Lines, Solar and Wind Energy Parks, Industries in General, Mining Development, Petroleum Refineries, Oil and Gas Pipelines, Forestry, Irrigation and Waste Disposal Facilities /projects in Kenya and Africa Region.

When you join our EIA/Audit training (4 weeks) and a voluntary mentorship program (6 months), you will develop your career path and be linked directly to potential employers. You will also start earning field allowances from the field-based assignments while on a mentorship program.

Course Objectives: *Introduce trainees to key EIA and EA concepts and issues, expose them to simple practical tools for conducting EIA and EA, and develop linkages to the industry.*

Target Group: *Diploma and Degree Holders (all fields since it is multi-disciplinary) (as specified in the Fourth Schedule of EIA and EA Regulations; 2003), or any other person interested in becoming conversant with issues on EIA and EA even though he is already registered by NEMA.*

EIA / Audit Training: 4 Weeks (23rd July to 17th August 2018)

Mentorship Program: *6 months after training (Field-based-Optional) - No extra cost on this voluntary program.*

Mode & Time of Training: *Evening intensive learning, Monday-Friday 5.00-8.00PM and scheduled field visits during the selected day. Mode of delivery:* *Interactive lectures, case studies, assignments, fieldwork and examination*

Training Location: *Nairobi CBD - Clarion Hotel*

Requirements: *Insurance Cover, Safety boots, Helmet and a Reflector Jacket to ensure safety during field visits*

Content: *Environmental Impact Assessment and Environmental Audits, Social Impact Assessment, Environmental Health and Safety, Strategic Environmental Assessment, etc. NB: One must attend 95% of the classes, undertake all assignments and field works failure to which one shall pay an extra fee of Kshs. 2,500 per every class missed for a make-up.*

Cost of EIA/A Training: Kshs. 50,000 Only (USD 500) (Can be paid in installments/Not Refundable)
