Leading Environmental and Social Advisors in Africa

Training Workshop Invitation

INTEGRATED SOLID WASTE MANAGEMENT IN COUNTIES

Date-May 6th-8th, 2020 (3 Days)

Venue: FAIRVIEW HOTEL, NAIROBI

Africa Waste and Environment Management Centre (AWEMAC) is an Environmental Consultancy and Training Firm based in Nairobi, Kenya. We are planning to conduct a technical training for 3 days on *Integrated Solid Waste Management* for counties at Fairview Hotel, Nairobi.

This technical training will equip the participants with the required knowledge and skills in **Integrated Solid Waste Management** in counties in order to deal effectively with the current problem in various urban centers in the 47 County Governments and relevant National Agencies.

Training objectives

- 1) To appreciate the need for planning an ISWM System at the County Level
- 2) To understand how sustainable solid waste management systems (waste storage, collection, transportation, disposal and recovery) are designed and operated
- 3) Acquire skills on waste minimization/ waste reduction, Recycling and Compositing Technologies, Combustion for Energy and Sanitary Landfilling.
- 4) Identify opportunities for Public-Private Partnerships and Community Participation in Solid Waste Management for specific Counties

The training will cover the following topics among others:

- *Solid waste generation/ composition analysis/ planning a sustainable ISWM System*
- *Waste storage methods/ Selection of Storage Facilities*
- *Waste collection methods/ Planning Collection Routes*
- *Waste transportation system/ Selection of Waste Collections Vehicles*
- *Integrated Solid Waste Management(waste minimization/ waste reduction, Recycling / Composting Technologies, Combustion for Energy and Sanitary Landfilling)*
- *Public-Private Partnerships in ISWM- Types, Legal Procedures and Opportunities*
- *Field visits (to a Dumping site, Case Studies of Recycling Industries/Take-back schemes)*

Approach and Methodology

The training will be facilitated by solid waste management professionals with hands on skills and great wealth of experience using a suitable combination of the following methods for effective delivery of the content:

- ◆ Lectures/presentations/ Discussions
- ◆ Exhibitions of Waste products
- ◆ Field visits and demonstrations

Training Duration and Cost

The training will run for three days (3) **6th–8th May 2020** and it comprises various topics listed above at a cost of **Kshs.50, 000 (Fifty Thousand) + VAT of 16%** per participant. The amount covers:

- ◆ Venue facilities
- ◆ Facilitation of resource persons for the three days
- ◆ Lunch, tea breaks with snacks and water
- ◆ Workshop stationary
- ◆ Training Resources/ Manuals/ Power Point presentations
- ◆ Transport to the field sites and basic PPEs
- ◆ Certificate of Participation

Who should attend the training:

Technical and Policy staff in the Ministries in Charge of Environment, Industrialization, Energy, Trade/ Commerce, Finance and Procurement, Youth and Women affairs (County/City Managers, members of Environment Committee), Private Waste Collection Companies, NGOs, Consultants and any other person interested in acquiring skills in the provision of integrated solid waste management services from National Government Ministries and Agencies.
